

I support the fact that New Jersey's 'Do Not Call' law is among the strictest in the country. It is my understanding that the law is under attack from telemarketers who want the ability to call people despite the fact that they have signed up for the 'Do Not Call' list. Please do NOT let New Jersey's consumer protection laws be weakened. I signed up for the Do Not Call list for a reason, please don't take that away from us. Thank you.
